

M A R C H 2 - 6

Ms. Siudak's Spectacular Fifth Grade

Third Quarter/Week 6

Curriculum at a Glance

Mathematics- Students will continue to explore the relationship between fractions and division. They will represent fractions with concrete models and begin to add/subtract fractions with unlike denominators.

Social Studies- The students will continue to study the three branches of government. They will study what parts make up each branch and their jobs. Ms. Downing's HR: This Monday or Tuesday. The students will also begin to study how a bill becomes a law this week.

Writing- Students complete their drafts of fantasy stories. They will revise, edit, and publish their stories. They will continue to listen to *The Phantom Tollbooth* by Norton Juster.
