- *Colored pencils
- *Highlighters (multi-colored)
- *Printer Ink HP Deskjet 6988
- *Pencils

Mathematics- We will finish studying our unit on volume. The students will take a volume unit test this week. Then, we will begin studying measurement and converting between units.

Science- The students will continue studying weather systems. The students and I have been recording the weather data each week from www.weather.weatherbug.com. It has been a fun way to observe the changes in weather and how all the different aspects of weather connect. We will study the water cycle, cloud types, and types of fronts this week.

Writing-The students are working on informational writing. They are working on a weather project in reading and writing. Throughout the weeks, I will be conferring with students during the writing process.

Important Dates:

May 15th (10 AM-12 AM) Field Day

May 20-21st-Fifth Grade Field Trip to Betsy-Jeff Penn 4H Center in Reidsville, NC (Soaring Thru Spaces)

Miscellaneous Information

My email
bsiudak@wcpss.net

Even though the students may begin calling me Ms. Bowman, my email address is still bsiudak@wcpss.net. I will let all parents know when this changes. 😊
